

## **Background Checks Information**

The age in which we live, it is becoming increasingly necessary that we do all we can to protect ourselves and the people around who we are working/serving.

At the September 2017 Fall Rally, it was agreed to have all AL COM members obtain and maintain an active background check. These checks were completed with the help of Camp Baldwin.

During the April 5, 2024 Rally meeting, it was agreed that the background checks would be done completely "in-house". No other background checks from any other source will be accepted.

Project managers will ensure that all ALCOM members working on any project have a new background check.

As of July 20, 2024, the new background check company is "Protect My Ministry". AL COM members will access their website to complete the background check. The background checks will be good for 5 years.
