

## Alabama Campers on Mission Project List as of 3 August 2022.

*Must have Background Report on File before you can work on a project. (See Below)*

New Projects or changes in red.

---

These are the group projects currently scheduled for Alabama Campers on Mission. Many members also participate in individual and group efforts at other times and at other important worksites. It is important that individuals and groups report their activities and hours so that everyone may be aware of what our organization members are doing, and also what project options may be available to us all.

There is a sample report form at the end of this listing.
