

## Oneida Fall 2023 23 Members participated!

Maintenance and construction. Using a 60-foot lift: Installed 2 signs on exterior walls, cleaned gutters on several buildings, sprayed a bleach mixture and rinsed vinyl siding to remove mildew on the White House, and installed a “Welcome” banner for OBI Homecoming. Constructed a 7-panel enclosure for air conditioners and generator. Constructed a 5-panel enclosure plus poured and finished an 8x16 concrete pad for trash containers. Removed the bathroom shower and replaced it with a tub and tub enclosure. Cut and sewed approximately 150 backpacks. Painted the interior of a 3BR 2 Bath duplex. Constructed and installed 2 fireplace mantles in the White House. Assisted in the cafeteria kitchen and dining hall. Cleaned and raked several areas of landscape and sidewalk. Cleaned a 1 BR duplex. Sanded and refinished a dining table in a volunteer apartment.
