

NATIONAL NEWSLETTER

February 28, 2022

REPORT FROM EXECUTIVE TEAM LEADER/2022 BARBARA ROTUNDA

The folks in Florida have really been busy working out details for the National Rally. We are hoping to surpass 200 registrations. We have some great Door Prizes, The "Welcome Bags" are going to be full of some extra special goodies. We have some very good seminars lined up, you definitely won't be bored! Our Evening Program Personalities are some of the best in their fields, from comedy, to drama, to music, and just plain good Preaching!! The catered meals are just down home southern cooking and you definitely won't leave hungry!

If you don't have a rig, or feel you would rather not drive your rig...we have good news for you....we have blocked rooms at two local hotels at a discounted rate for anyone who needs a room. If you would like more information on the hotels and their amenities just contact Bea Kenyon 850-274-0902 and she can give you all the information you need for registering. Both hotels are very close to the fairgrounds and travel to and from will not be a problem.

We will be mailing receipts confirming your registrations. We are also going to include a map to the entrance gate which COM will be using. We hope to send the schedule of seminars as well so that you can be thinking about which ones you would enjoy.

Since this is our GOLDEN ANNIVERSARY, the 50th NATIONAL RALLY. We have some unique things in store for you. It is definitely going to be a time to "RENEW IN 2022". Make your plans to come and renew old acquaintances, make a new friend, encourage or share some of your favorite memories of Campers On Mission with some of our newer members

2023 National Rally-WHERE IS IT GOING TO BE?????

Do you hear the call? Don't hold back as a state to volunteer to host 2023!! Think your too small of a state to host a National Rally? There are states that will volunteer to assist you in this awesome opportunity. Please pray and ask God to direct the state He wants to host 2023.

There is also an opening to host 2024 National Rally. Please contact National Coordinators for any questions

"For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do" Ephesians 2:10

FEATURED PROJECT

**BETHLEHEM FAMILY CAMP
3073 HWY 160 Bonifay Florida 32425**

During this year of the pandemic, the camp family has not been idle! Some improvements made so far include fencing in a playground area by the Van Landingham Welcome Center, constructing a new fence for the swimming pool, replacing the roof on Hughes Tabernacle, installing vinyl siding on the Heritage House, painting the lobby and hallway of Jeter Hall, removing debris from the camp grounds, power-washing buildings, replacing the electrical box in the Tabernacle, replacing furniture in buildings, relocating the nursery and sprucing up the children's areas, replacing the flooring in the adult classroom (Tabernacle), repairing leaks in Palmer Hall, etc.

National visited the camp this week. James let us know they really appreciate COM members and their work ethics. Several hard working South Carolina COM were some of the latest volunteers at the camp. New members from Wisconsin joined Florida COM and have been working with James.

James says: We have so many projects that need attention here and all help is appreciated.

Call James today!!

Instructions for filling out Praise Report

1. Year is the calendar year God accomplished this work through you. If it is a multi-year project, report the work done each year in that year.

2. Name, telephone, address, city, state, zip: Enter your personal information.

3. Project Source is the person or the place from which you learned of the project. Did you read about it on your chapter newsletter, national newsletter, chapter website, COM national website, NAMB's website, or did someone like another camper, your chapter president or project coordinator tell you about it? If a campground, church, promoter or other organizational leader contacted you, enter their name and organization.

4. Type (of ministry): Campground, Church Planting, Construction, Disaster Relief, Fairs/Festivals, Kitchen, Raceway, Resort, Revivals, Surveys, Seaman's, VBS, Bible Studies, or other which you can describe in Comments.

5. Comments: This space is provided to share information on the type of ministry work.

6. Dates worked: Enter the dates of first and last work days. If it is a multi-year project, report the work done each year in that year.

7. Place worked: Enter name of place or event you worked.

8. Address: Enter name of city and state the place/function was located.

At the bottom of form is space to include the specific accomplishments for each project as designated by the "A", "B", "C", and "D". For each individual project fill in the following information:

9. Miles traveled: Enter total number of ministry miles traveled. This includes travel getting supplies together prior to leaving home, travel to the ministry site, ministry related travel while working on the ministry and travel home. Leisure time travel while on site should not be included.

10. Ministry hours: Do not include travel time. Do include all time preparing for the ministry, training for the specific ministry and the actual ministry. For example; if you were putting on a VBS somewhere other than your home church, you could include time learning the subject material, gathering materials, setting up the facility, holding VBS, and cleaning up afterwards. Your regular church activities such as teaching Sunday school class or VBS do not count as mission/ministry hours, unless you reach outside your local church.

11. Testimonies: Enter the number of times you personally shared your testimony. Everywhere campers go in their COM shirts and caps, people ask about what it means. Then the camper shares his witness and testimony. They may even ask the questioner if they know Jesus. On each project campers are asked to formally share their testimony before the group. Each of these incidents should be reported.

12. Professions of faith: Enter the number of times you personally lead someone to Christ while working on a mission effort. Do not include professions of faith lead by someone else in your group. Include all professions of faith that occur from when you leave home traveling to the ministry until you return home from the ministry.

13. Rededications: Enter the number of times you personally lead someone through rededicating their lives to the Lord. Do not include rededications lead by someone else in your group. Include all rededications that occur from when you leave home traveling to the ministry until you return home from the ministry.

14. Tracts distributed: Enter the number of tracts you personally distributed.

15. Bibles Distributed: Enter the number of Bibles you personally distributed.

16. Worship services held: Enter the number of worship services you personally conducted.

Worship services include speaking the message, song and praise worship, devotional messages, hymn sing-a-longs around the campfire, construction project devotional services, devotional services at the fair, Bible studies, etc. Other than revivals listed in the next item,

each time you lead a group in a worship session which focused on worshipping or praising

God or studying his word should be counted as holding a worship service. This also includes

Bible studies for COMers.

17. Revivals/surveys: Enter the number of revivals/surveys in which you participated. You don't have to be the lead person. Count each one you performed a role in helping the revival/survey to be completed.

18. Houses surveyed: Enter number of houses you personally surveyed.

19. Prospects: Enter number of prospects you personally met and identified for follow-up by others. A prospect is a lost person who seems receptive to the Word. You planted the seed and you shared the information so others can water and harvest.

It is easier on the person recording your data and on you if you report God's accomplishments at the end of each project. The information will still be fresh in your memory and the project recorder will not be getting a large volume of praise reports at the end of the year. You should have all your praises reported by December 31st each year, unless your chapter has established a different deadline.
