

ALABAMA CAMPERS ON MISSION

Newsletter from the President's Camper...4th Qtr Sep 2023

Our History to be saved! Ms. Wendy Westerhouse, Executive Director Elect, Alabama Baptist Historical Commission, has taken our boxes of old records to be put on microfilm. This will enable members and future generations to view the history of Alabama Campers on a Mission. The microfilm will be available through the Alabama Baptist Historical Commission, Birmingham, AL. Their web page is www.abhconline.com. Also thank you to **Klaus and Diane Dahl** for organizing our many boxes of files for transfer and microfilming. This was done at no charge to ALCOM.

Here am I, send me.....Isaiah 6:8

September was ALCOM Recruitment month. During the month several yard signs were distributed and recently the recruitment flyer went out via Facebook and Email. I hope that you will display the yard sign at campgrounds, in your yard and share the flyer via Facebook and on community bulletin boards. The more we get the word out, more will see!

Thanks to Walt and Jeri Miller for updating our ALCOM Brochure. Walt and Jeri, I appreciate all your work! If anyone would like copies to distribute, let me know. I will be happy to send you some.

June put out a request for crosses to be used on the ALCOM display table. These crosses will be given to anyone who desires one. The ladies and (Tom Sessions) came to the rescue. While at Shocco they made over 500 and are still making them at home. Thanks to Barbara and Tom for taking the lead and to all of those who made them.

A new project list with dates, places and POC information has been updated on the ALCOM website. Go to www.alabamacom.com to view the information and choose a place to serve our Lord and Savior. See you "AS WE GO"!

Words of Wisdom from God's Book!

Jos 24:15 And if it seems evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD.

Jos 24:16 And the people answered and said, God forbid that we should forsake the Lord, to serve other gods.

Serving God is a conscious choice. We, like Joshua, must follow the will that our Heavenly Father has provided for us. Choose that path graciously and humbly and thereby we exhibit a positive witness before others. As Joshua said, "God forbid that we should forsake the Lord to serve other gods". Make your choice, make your stand and serve with gladness. Be in prayer for ALCOM that God would bless us with new members and projects. Pray for those ALCOM members who are sick or recently lost loved ones.

Our nominating committee is in the process of canvassing our membership for new officers for the next term. Please pray for those members (Ron McMonagle, Keith Davis and Mike Peoples) as they go about their search and pray that you will have a servant's heart if asked to fill a position.

OCTOBER IS HERE!

And that means you can now reserve your spot for the ALCOM Spring Rally. April 4-5, 2024 at Gunter Hill State Campground, Montgomery, AL. May I encourage you to come and be present at our rally, enjoy the fellowship, good food and help do the business of our God. Go to www.recreation.gov or call 1-877-444-6777 to make your reservations on the "Catoma Loop". ALCOM POC is Ken and Judy Conaway.
