

Shocco Springs

11 Sept - 21 Sept 2023

We had 4 new workers at Shocco. Danny and Kathy Baker and Johnathan Paris, active-duty Air Force and his father Lee Paris.

At residence 1240, carport was added, built a deck on back of house, re-leveled a storage building and added siding. Placed signs at Bagley Building and ran wiring for new offices on the 1st floor. The Station at Bagley had walls built and doors added. Puckett Bldg., the bunk beds had plywood put on beds, floor registers and lights in shower were replaced. At the Admin Building replaced the fascia. In Classroom 12 replaced door trim and baseboards. Replaced siding on pool pump house. Made 4 towel hooks for the pool. Added shelving in Shocco Inn housekeeping closets. In the Recreation office put insulation in the ceiling. Cleaned vinyl siding on 4 cabins, Gilbert Hall, Isbell activity center and Shirey. Women painted Twin Lodge porches, ramps, benches and chairs. Painted steps and rails at Isbell, painted deck, rails and front porch on Casey house. Painted plywood was attached to bunk beds, stained 10 benches in Adventure camp, benches and tables at Smith Camp. Did Laundry, worked up buy/sell items, organized shelves for Blair, made curtains for Station and helped in food services.
