

Shocco Springs Project Leaders Danny and Vickie Stevens

Sept 12th - 22nd 2022

We had two new couples that had never worked at Shocco join us this trip. David and Wendy Jones and John and Linda King. We had a total of 38 people that worked at least one day during the two weeks.

AREAS OF WORK: Men took down lights and replaced them in Bagley 2nd floor conference room, built shelves in recreational area of Ricker. Repaired back porch and deck at Lamberts house. In the old book store did renovations. Built a wall in warehouse and constructed a tool room. Replaced handrails and stained in front of Bagley. Repaired towel hooks around campus. Constructed fixtures for Shocco Inn. Replaced 40 toilet tissue holders. Repaired the soffit at Residence 1 garage. Built shelves in toilet storage building. The ladies did laundry, cleaned all campus PTAC filters, cleaned windows on 1st and 2nd floor of Springview, worked at Station, folded T-shirts and did some office work. Ladies repaired laundry items. Couple of ladies did maintenance inspection of lodging facilities.
