

NATIONAL NEWSLETTER FEBRUARY 28, 2023

SPECIAL NOTE FROM EXECUTIVE TEAM OF 2023

Michigan Campers on Mission, chartered in July 2020, is growing and working on various projects each month. We now have 74 members! God has brought us various ages, walks in life, backgrounds, and ethnicities. However, we are one and the unity we feel is because of Him!

We are working hard to see that 2023 COM National Rally is an event you do not want to miss. Only four of us have been to a National Rally before, so there are plenty of new ideas and some great planning going on. Registrations are coming in and this only motivates us to do more!

If you haven't got your registration in, we are disappointed when we go to the mailbox. We look forward to you coming to Michigan and see how God is working in MI Com!

WANTED: RV PARK HOSTS

Living Truth Church, at the former location of Farmer's Opry in Chumuckla, FL, is seeking camp hosts who will be able to start by mid-May 2023. To the leaders of Living Truth Church, this RV Park is a ministry, not a business. We invite tenants to join us for worship and we offer special consideration for length of stay, payment schedule, etc., depending on their needs and circumstances.

The Park has 20 sites, with average occupancy of four to eight units. Camp Host duties include checking residents in and out, observing for compliance with Park rules, grounds upkeep of the RV park, and frequent communication with the church secretary, who receives reservations. General maintenance skills would be helpful.

Those COMers who were active in 2011 will recall that this campground and the Farmer's Opry facilities were the site of our National COM Rally that year. It is in Santa Rosa County and is about 20 miles north of Pensacola, FL. Compensation includes free site rental, no-cost utilities, free internet, a remote, peaceful location, and a well-shaded site for your camper.

Contact David and Janet Cornish, RV Park Stewards, (members of Florida COM and New Hampshire COM) for more information. David and Janet's contact information is: 850-313-3078 – David; 603-973- 9145 – Janet; or djcornish9@yahoo.com. NOTE: We do not answer the phone if we don't recognize the number. So, the best way to contact us is by texting the phone numbers above and put "Camp Host" at the beginning of your text, or by email, with "Camp Host" in the subject line.

Thank you. We continue to pray for God's blessings, "AS WE GO."

LIFETIME ACHIEVEMENT AND CAMPER OF THE YEAR AWARDS

Are there some deserving campers in your state? They are an inspiration to others? It's about giving recognition to someone who just shows up, works hard, contributes willingly even in times when it's a challenge. Read the guidelines for the two awards. Presidents can nominate members or your board. Individuals may nominate fellow campers. The guidelines below must be followed. Send in your nominees today!! Questions contact National Coordinator

Lifetime Achievement Award is limited to individuals/couples that have maintained a high level of effective COM participation over an extended period of time, at least 8 years or more. The recipient of the Lifetime Achievement Award is ineligible for the Camper of the Year award in the same year.

The Camper of the Year Award is limited to individuals/couples that completed exceptional tasks or participated at an exceptional level of effective participation over one of the last several years. The recipient of the Camper of the year award is ineligible for the Lifetime Achievement Award in the same year.

Effective participation: Granted our objective is professions of faith, but solely focusing on the reapers excludes the efforts of those that planted and watered prior to the reaping. Hours alone without accomplishments do not equate to effective participation. Because of the diversity of camper activities there must be equitable consideration of all activities. The definition of effective participation will include a number of factors such as:

- A. Hours of participation**
- B. Number of professions of faith**
- C. Impact of mission effort on those being helped and other campers.**
- D. Magnitude of the camper's sacrifice compared to the campers ability to sacrifice.**
- E. Consistency of sacrificial mission work – is it a onetime thing or do they do it repeatedly?**
- F. Variety, innovation and diversity of mission activities while working on primary mission effort, or do they work on additional mission efforts during their spare time on the mission field?**
- G. Promoting COM growth and organization**

PRAYER REQUESTS

Members Whose Loved Ones Have Gone To Be With The Lord	Our Nation	
COM Leadership Projects/Safety	Family/Friends Salvation	COM State
OfficersChurches/Pastors	Our President	2023 National Rally/Michigan COM
Host State for 2024 National Rally		

PLEASE BE IN PRAYER FOR ALL OUR COM CHAPTERS THAT HAVE HAD LOVED ONES GO TO BE WITH THE LORD. THERE ARE MANY THAT WE DO NOT HAVE THE NAMES BUT GOD KNOWS. PRAY FOR FAMILIES IN AND OUT OF YOUR CHAPTER FOR COMFORT.

PLEASE READ: MEMBERS CHOOSING A HOME CHAPTER

The last few years COM has evolved into a different type of organization. The year of 2020 had an effect on people changing lifestyles. Families being mobile with their jobs, and homeschooling being done more by these parents who are full time in their rigs. Being Christians, they are looking for ways to serve The Lord, and expose their children to missions "As They Go"

Some are choosing multi memberships for this reason, to travel and serve while they are full time with children. Plus, there are those that are choosing in their retired years to live full time in their rigs. They still want to serve The Lord as they travel too.

It's a great problem to have, members choosing several states to join. Then they have many choices to volunteer as they travel. (keep in mind cost of rv sites are costly, as a volunteer in COM most projects provide full hook ups, and in some cases meals) So this is very attractive to people to join COM, but with no ties to state chapter when no guidelines are in place in your bylaws.

If all members just travel with no connection or commitment to a particular state, eventually there will be no one to fill state officers' positions. Or a member could hold officer positions in several states and create other complications.

As National: When an application online is received, we talk to the potential member as their intentions, desires, etc.

At that time, we ask what state will you be choosing as your Home Chapter?

We explain: When choosing a state as a Home Chapter, this should be a state you will frequent more than any other state. Each state has bylaws, some states members must attend at least one state meeting, work a state project, and or a National Rally each year. If as a member we do not meet the requirements of our Home Chapter, we will not be listed as an active member and will no longer receive any communications from state chapter or national. National ID cards will be null and void, by state presidents informing national of a member not meeting state chapter qualifications for membership.

Organizations that are volunteer orientated, do not work on state levels. They have projects, but no need for officers to run their group. COM is like a family, states depend on membership to volunteer at state kid camps, churches, state fairs etc.

National discussed Home Chapters and the concerns at National Rally during Presidents Round Table, and business meeting in depth. National encourages each state to discuss this with your board and members of your state chapter. Do you as a chapter need to consider changing requirements, qualifications for membership?

Questions? Please contact National Coordinator.

THE HIGHEST CALLING

"Whoever of you does not forsake all that he has cannot be My disciple." Luke 14:33

What should we be for Jesus Christ? Most Christians are not called to be missionaries or preachers, but they are called to follow Christ. They are called to be faithful wherever He puts them-in the school, in the home, in the factory or office, in the neighborhood and nation.

They are called to be controlled by the Spirit and to bear the fruit of the Spirit. They are called to be Christ's ambassadors wherever God puts them.

Nothing less than God's call is worthy of our consideration. Billy Graham
